THE BOOK

INNOCENT LIVES ARE AT RISK... BUT WHO IS THE REAL ENEMY?

Eli Amiran is Mossad's star spy runner and the man responsible for bringing unparalleled intelligence to the Israeli agency. Now, he's leading an audacious operation in the UK that feeds his ambition but threatens his conscience.

The British and the Americans have intel Mossad desperately need. To force MI6 and the CIA into sharing their priceless information, Eli and his maverick colleague Rafi undertake a risky mission to trick their allies: faking a terrorist plot on British soil.

But in the world of espionage, the game is treacherous, opaque and deadly...
