DEAD AND GONE

by SHERRYL CLARK

THE BOOK

There's nothing more dangerous than revenge.

Judi Westerholme has been through it. Brave and strong-willed, she's just about coping in her new role as foster parent to her orphaned niece, taking a job at the local pub to help make ends meet. Then the pub's landlord and Judi's friend, army veteran Pete 'Macca' Maccasfield, is murdered, and her world is suddenly turned upside down.

Despite warnings from the city police to keep out of it, Judi can't help but get involved in the search for Macca's killer. But she soon becomes deeply entangled with some ruthlessly dangerous men. She must act fast and think smart to work out what they want - before anyone else gets hurt...

Long buried secrets resurface in Sherryl Clark's pacey crime novel that pushes Judi Westerholme to her limits to protect the people she loves most.
