THE BOOK

The Book of X tells the tale of Cassie, a girl born with her stomach twisted in the shape of a knot. From childhood with her parents on the family meat farm, to a desk job in the city, to finally experiencing love, she grapples with her body, men, and society, all the while imagining a softer world than the one she is in.

Twining the drama of the everyday – school-age crushes, paying bills, the sickness of parents – with the surreal – rivers of thighs, men for sale, and fields of throats – Cassie's realities alternate to create a blurred, fantastic world of haunting beauty.

PRaise for THE BOOK OF X

'I loved every page of this gorgeous, grotesque, heartbreaking novel' - **Carmen Maria Machado, author of *Her Body and Other Parties***

'*The Book of X* traverses the mundane and the surreal - from grocery lists to blooming meat, menstrual blood to a jealousy removal shop - laying bare the absurdities of womanhood. A truly original writer, Etter continues to push the boundaries of her imagination... and ours' - **Melissa Broder, author of *Death Valley***

'Utterly unique and remarkable... Sarah Rose Etter takes the surreal and expertly shapes it into a portrait that is as beautiful and compelling as it is horrifying and unbearable... Etter brilliantly, viciously lays bare what it means to be a woman in the world, what it means to hurt, to need, to want, so much it consumes everything' - **Roxane Gay, author of *Bad Feminist***

'Insightful and incisive, this book cuts deep into the failing heart of the feminine mystique' - **Amelia Gray, author of *Isadora***

'Sarah Rose Etter is a visionary. Perfectly paced, structurally audacious, and endlessly inventive, *The Book of X* is our new Revelation' - **Scott McClanahan, author of *The Sarah Book***
